

HUGH BOYD SECONDARY SCHOOL

9200 No. 1 ROAD
RICHMOND, B.C. CANADA V7E 6L5
(604) 668-6615

January 23, 2018

Dear Grade 7's and Grade 7 Parents:

Thank you for your interest in Math 8/9 at Hugh Boyd Secondary. Mathematics 8/9 is for students who have excellent math skills. Both Mathematics 8 and 9 will be covered in this course. Students who achieve a Level 5 or higher in each of the four MYP Math Criteria for Math 8/9 may proceed to Foundations and Pre-Calculus 10 in the following year. Students who achieve below a Level 5 in these four criteria will proceed to Math 9 in the following year.

Students who wish to enroll in this course must have a recommendation from their Grade 7 teacher and successfully complete an entrance exam.

Teacher Recommendation: Grade 7 teachers will be asked to fill in a reference form no later than **February 16, 2018**, and submit it to **Mr. Ed Chan** at Hugh Boyd (edchan@sd38.bc.ca).

Entrance Exam: The entrance exam will take place on **Thursday, March 1, 2018** in **Room 206** here at Boyd School at **3:15 pm**. Students should be prepared to spend about 1 hour at Boyd.

Please **email me** at the email address below by **February 16, 2018** to confirm that your child will come on this date to write the entrance exam. Include your child's name, elementary school and name of grade 7 teacher.

Note to Grade 7 teachers: We appreciate your help with this process. Thanks in advance for filling in the reference form for each student. If there is need for follow up information, please feel free to call me. Referrals are kept confidential.

Sincerely,

Robert Sproviero
Hugh Boyd Math Department (604-668-6615)
