INTERNATIONAL BACCALAUREATE  
MIDDLE YEARS PROGRAM  
2019-2020**

The Incentive and IB philosophy is to promote the development of holistic learners who demonstrate academic drive, leadership, teamwork, diligence, empathy and open mindedness as socially responsible local and global citizens. Incentive students will have opportunities to coordinate and facilitate local and global service initiatives, participate in public performances, compete at science competitions and participate in outdoor adventure trips.

The Incentive program includes Grades 8-10. Course programming is a hybrid model, with students enrolling in enriched Incentive classes of Science, English and Social Studies with opportunities to take electives in the mainstream.

Students in the Incentive Program will receive IB MYP and Incentive Program certification in an enriched, engaging and challenging environment. Through their experiences in Incentive, our students will have developed a solid foundation of personal attributes, identity and confidence as they enter their senior grades of school.
