c. Other - Structures survey ****IMPORTANT*** show your wants and needs

i. Feb 23-March 4 info will be shared with you. Look for this email from school

ii. Will be asking for input re: Semester vs Linear, PLT where and how effective?

iii. Boyd used to have PLT between periods 1 and 2. District did not provide that as an option this year and thus our staff voted it down. Hoping to bring it back between 1 and 2 again, if given permission. Please share your feedback with district. May help with plans for next year.

iv. District is also considering COVID and H&S protocols for next year. Even if people provide feedback that they wish to return to Linear, the district may decide that for safety purposes we have to stay with Semester for another year due to COVID complications (possible spike in Fall). We will see, but please share your feedback when survey comes out on Feb 23.

- RDPA/BCCPAC- report by Jody Natsuhara, minutes online at RDP
- Dry Grad- report by Jason Leslie, fundraising going well, hopeful that there will be more things available for Grads due to Covid restriction changes, will report changes if and when they happen.

6) **Next meeting** is April 14, 2022

7) **Adjournment** at 7:46 P.M
