Dance Club

The **Hugh Boyd Dance Club** gives students at Boyd the opportunity to dance at school, develop their interests, make new friends, and have fun too! Weekly meetings are held every **Wednesday at lunch in the old gym**. During our meetings, Dance Club captains either teach short self-choreographed dances for you to learn and later film to post on our Instagram or...we practice for upcoming performances. Members in the dance club are given opportunities to perform at school events like pep rallies and Breakfast with Santa. This club is a great way of spreading school spirit through dance. Last year we focused on hip hop and K-pop, but we are open to others too. Keep in mind, to be a member of the dance team you do not need any previous experience, everyone is welcome!

Follow us on instagram @hbssdanceteam for more information and upcoming announcements!

Model United Nations

Sign Up Here:

The Model United Nations Club at Hugh Boyd is a club for students to pursue their passions outside of class, in debating and being leaders as diplomatic delegates. Members get a chance to develop their public speaking, research, negotiation, and collaboration skills while learning about the UN and Model UN. It is open to all students at Hugh Boyd of any grade, regardless of their skill level! This extracurricular can open skills and passions that are often included on resumes or even university applications! Learn more about real-world issues and become diplomats while surrounding yourself with like-minded individuals! You will have the opportunity to attend and debate in various academically stimulating conferences in Vancouver (RichMUN, VMUN, etc.) — and we are aspiring to take students to San Diego conferences!

GLOW (Gay. Lesbian. Or Whatever.)

GLOW club is a great club for anyone to join. We focus on community engagement, diversity, and equality. We meet at lunch on Tuesdays and typically do art projects to promote inclusion in our school community, but that's not all we do. Our club has worked with the library and similar clubs from other schools in our district. Mostly, it's a fun space to make friends and support causes you care about. One of the best community activities we participate in is the Rainbow Café, where clubs from different schools meet, hang out, socialize, and discuss actions to take in the district. We would love it if you considered joining! See you in the Art room at lunch on Tuesday.
