HEALTH DECLARATION

All staff and students should complete a general health check before coming to school each day. If you are sick and unable to participate fully in routine activities, please stay home and return when you are feeling better.

NATIONAL DAY OF TRUTH AND RECONCILIATION SEPT. 30

This non-instructional day honors the lost children and Survivors of residential schools, their families, and communities. Commemoration and acknowledgement of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process. Thanks to everyone who wore their orange shirts today in support of our efforts in reconciliation.

SOCIAL JUSTICE CLASS RESIDENTIAL SCHOOL MUSEUM

Kudos to Mr. Taylor's Social Justice classes who prepared an educational and thought-provoking Residential School Museum display today for students and staff. We hope that students and staff continue to support the efforts of reconciliation as we observe the National Day of Truth and Reconciliation.

MYED BC PARENT PORTAL

Parent portal account for new parents to Hugh Boyd will be set up around next week or earlier and will be receiving an email regarding their USER ID and TEMPORARY PASSWORD. Having a parent portal account will give you access to MyEd BC to be able to view your child's report cards when they are published. The school no longer prints report cards and parents are encouraged to download and print report cards from MyEd for their copy.

Upon receiving the email, please log in to a computer (not a cellphone as it will not work) and enter the User ID and Temporary Password provided on the email. It will prompt you to change your password and please change your password which should contain letters, symbols and numbers. Parent Portal User Instructions is attached to this email as well it can be accessed from Boyd website.

Please check your spam or junk folder to ensure you have received the email from MyEd BC. If you do not receive an email by mid-October, it could be because we did not have your blue form with your email address. Please contact the school.

GAME OF APPS

Game of Apps is an after-school program that empowers students with practical technical and life skills to help them succeed in 21st century careers. The program has been running in the district for the past 5 years, and several Boyd students have participated. For more information about registration, please go to: <https://gameofapps.org/register>.
