- Approve
  - Indicate errors
  - Ask questions
- Due November 4th, 2022

# TVR REVIEW FORM

Hello,

This online form is to be utilized after you have received and reviewed your Transcript Verification Report, as well as the Grade 12 information presentation on the Hugh Boyd website. Our counsellors have reviewed these reports for accuracy and to ensure that you will meet the graduation requirements. We try to correct any errors before these are provided to you.

Transcript Verification Reports provide a detailed summary of the courses you have accumulated since grade 10. Sometimes, courses on transcripts through the Ministry of Education are labelled differently than they would be on your Boyd Schedules. If you recognize a course on this report that does not sound familiar but is similar to one you completed that is not listed, this is likely the case. Please remember that counsellors have reviewed these to ensure your courses align with the Ministry's.

If you have completed or are currently enrolled in an online course, it is your responsibility to ensure that these are accounted for. Often, we do not know if you have pursued external courses, and as such, need you to contact that provider to upload your course to the Ministry of Education.

Lastly, please note that if Numeracy and Literacy Assessments have been completed, they will either have a score out of 4 or an XMT. XMT refers to an exemption, which is likely for Literacy due to it not being available to your grad year, or because of COVID19. If you do not have a score or an XMT, you need to write the appropriate assessment(s). You will be contacted.
