Breaking Down the Walls

We are excited to confirm that the Breaking Down the Walls dates are Monday, December 5-Wednesday, December 7. facilitator. The purpose of the Breaking Down the Walls Program is to support the sense of school pride at Boyd. The program gives all students and staff, regardless of their peer group, permission to talk to one another and hear each other's stories. It was created to help strengthen empathy and understanding for each other throughout the school. It also provides an opportunity to have fun, share stories and to realize that we have a lot more in common than we do different.

The student leader invite was shared last week: [Breaking Down the Walls Student Leader Application](#), and students in grades 8-12 are encouraged to apply help be a leader. If students signed up for this previously, we will confirm their interest over the next few weeks. A general invite was also sent to all students – all students can sign up to participate in a full-day workshop on Tuesday, December 6 OR Wednesday, December 7: [Breaking Down the Walls Workshop Sign up](#).
