BREAKING DOWN THE WALLS

We are excited to confirm that the Breaking Down the Walls dates are Monday, December 5 - Wednesday, December 7. The purpose of the Breaking Down the Walls Program is to support the sense of school pride at Boyd. The program gives all students and staff, regardless of their peer group, permission to talk to one another and hear each other's stories. It was created to help strengthen empathy and understanding for each other throughout the school. It also provides an opportunity to have fun, share stories and to realize that we have a lot more in common than we do different.

All student leaders were given information about Monday's Facilitation Training (12:10 – 3:00pm – old gym).

The list of the student who registered as participants for the workshops on Tuesday, December 6 or Wednesday, December 7 will be posted outside the office on Monday morning – these workshops will run from 9:30 – 3:00pm, and lunch will be provided. All workshop participants are encouraged to arrive early 10-15 minutes early for the sign in process. If you have any questions, please contact Ms. Mahli or Mr. Onukwulu in the office.
