## HEALTH DECLARATION

Before coming to school, parents and students need to review the Mandatory Daily Health Declaration – this document is provided on our website [HERE](#). **This is a reminder that students should stay home when they are sick.**

## SEMESTER 2 COURSE CHANGE REQUEST

Students are settling well into Semester 2. Counselors have worked hard to satisfy a large volume of course change requests, and because of this process being efficient thus far and the number of changes today being minimal, the deadline for a change request has been moved to **Monday, February 6<sup>th</sup> at 12 noon**. A reminder that the priority for course change is incomplete timetable, graduation and/or post-secondary pre-requisite requirements. Any course changes must be submitted through the online survey: [SUBMIT HERE](#). Classes are very tight, and changes may not always be possible. Students should continue to attend all assigned classes unless contacted by a counsellor about a schedule change.

## MEET THE TEACHER EVENING

The semester 2 Meet the Teacher Evening will be on Thursday, February 9<sup>th</sup>. This will be an opportunity for parents/guardians to meet teachers to learn more about the new courses. Here is the schedule for the evening:

- 6:45 – welcome to the gym
- 7:00 – 7:10pm Block A
- 7:15 – 7:25pm Block B
- 7:30 – 7:40pm Block C
- 7:45 – 7:50pm Block D

Students will get the Meet the Teacher Parent Information form in C block on Thursday afternoon, and parents will use this to follow their child's schedule. All parents/guardians are encouraged to come meet the semester 2 teachers!

## SEMESTER 1 FINAL REPORT CARD

Due to technical issues, semester 1 Final Report from Sept. 6 - January 26th, 2023 will be published on the **afternoon of Monday February 6<sup>th</sup>** in MyEd. Your child may have more than one type of report card: one for MYP courses and one for non-MYP provincial courses. Please ensure that you **print or download** a copy of the report card(s) if needed for future use; report cards will remain on the portal for a limited time only. You will need to download each type of report card separately as the assessment format is different. Courses taught in the Middle Years Program (MYP) assess using an IB scale while all other courses assess using the traditional letter grade and/or percent format. More information about the Middle Years Program and assessment of courses can be found on the school's website. If you have any questions about a specific course, please contact your child's classroom teacher. Teacher email addresses are listed on the school website under School Information > Our Staff. Please contact the school office at (604) 668-6615 or email [boyd@sd38.bc.ca](mailto:boyd@sd38.bc.ca) if you have any questions or require assistance.
