### GRADE 8, 9, 10 SERVICE LEARNING HOURS

All students in grade 8, 9 and 10 are required to complete 10 hours of service learning and/or action. Some ideas of how service learning can be earned in classes can be seen in the Boyd MYP group for their grade level on TEAMS. For their service hours to count they must reflect on them in addition to the learning/doing. So on each team a worksheet is uploaded for them to **DOWNLOAD, FILL IN and then turn in**, just like an assignment. These are all due on **May 15<sup>th</sup>**.

If your child arrived later and the name is not in Boyd MYP in TEAMS, please email Ms. Korber [mkorber@sd38.bc.ca](mailto:mkorber@sd38.bc.ca) and she can add the student's name. If your child has not been able to access TEAMS this year, please report this problem to the school administration. The student should not just upload a sheet of hours, without the reflections as the student will get 0. Lack of completion of hours is reported on their final report card.

### GR 9 CLE – PLT SESSION

On **Tuesday May 9<sup>th</sup>** and on **Tuesday May 16<sup>th</sup>** there will be a CLE Workshop held for all Grade 9's from 8:30am-9:30am during PLT. Workshops will be on Time Management, Reworking Goals, and Accountability. These workshops will build on sessions both from last year, as well as from earlier this year. It is extremely important that all Grade 9 students attend as attendance will be taken and subsequent assignments will be administered. See all Grade 9's there!

RICHMOND SCHOOL DISTRICT | PARENT INFORMATION SESSION | MENTAL HEALTH WEEK

## Holding Onto Our Kids in a Digital World

with Dr. Deborah MacNamara

*As if parenting wasn't hard enough in having to deal with screens, peer pressure on kids - and then we had to add a pandemic on top of it! How can we hold on to our kids so we can influence and guide them? What do kids really need from us so as to grow into socially and emotionally responsible beings? This presentation will discuss issues from technology to peer problems and how parents are the ultimate answer for what kids need most of all. Practical suggestions for (re)building strong relationships with kids from preschoolers to teenagers will be discussed along with managing challenging behaviour - including screen time!*

Dr. Deborah MacNamara is the author of *Rest, Play, Grow: Making Sense of Preschoolers (or anyone who acts like one)*, and her children's picture book, *The Sorry Plane, She is on Faculty*, at the Neufeld Institute and Director of the counselling practice, *Kid's Best Bet*.
