### CONFERENCE DAY

The Hawks hosted their second Conference Day on Wednesday, February 5th, featuring presentations on community building, online safety, and resilience. A highlight of the day was the inspiring workshops led by Grade 12 students Kayla I. and Shanar Z., who continued the *Breaking Down the Walls* legacy with discussions on connection, vulnerability, and insights from their high school experiences. The event was a valuable and uplifting experience for the entire school. Please have a conversation with your child about their learning and reflections from this day.

### PROGRAM PLANNING SHEETS DUE FEBRUARY 19

During the Conference Day, grades 8-11 students also participated in a Program Planning sessions with the counsellors. Students each received an individualized course planning form, and students must now carefully choose courses for next year. Parents are encouraged to speak to child about course options. Students will enter their choices through the MyEd platform AND **hand in their individualized forms into the counselling office by February 19.**

In addition, if you would like to help your child(ren) navigate the course selection process 2025 – 2026 on our website, please click [HERE](#). When you are on this webpage, there are YouTube links to course presentations by grade. Also, this link: [STUDENT INSTRUCTIONS FOR MYED BC ONLINE COURSE ENTRY.pdf](#) has a step by step guide to support students with course entry. Please check it out.

### ATTENDANCE AND LATES

Our parking lot is very busy in the mornings, so students should plan to arrive early to give themselves enough time to get to class on time. If a student is late, they must sign in to the office at the beginning of the day, and teachers and administrators will follow up with students if there are chronic lates. Please help your child arrive on time and set up for success each school day.
