HAWKS BASKETBALL PLAY DAY

Congratulations to Ms. Maika and the Athletic Council for organizing the Hawks Play Day with students from our feeder schools. It was great to see so many of our students take on leadership roles such as being a referee, score keeping, and helping to sell food at the concession stand. Well done Hawks!

PERSONAL DIGITAL DEVICE REMINDERS

Please remind your child about our Personal Device Reminders in grades 8-12.

- If a student is inside a classroom, the classroom routines and Code of Conduct apply. Personal digital devices (headphones, air pods, earbuds) should be powered off and in the student's backpack, unless permission has been granted by the staff member.
- If a student is working in a common area of the school (e.g. lounge, library), students are permitted to use their personal digital devices for educational purposes.
- Part of the purpose of personal learning time is that students will have agency in their learning, including practicing self-regulation while using technology. If a student is using a personal digital device for non-educational use, a conversation to remind them about the purpose of this time would be appropriate.
