LEARNING UPDATES

All students and parents should have received the Learning Update by email with brief information from each teacher last Wednesday. Please have a conversation with your child about their progress and learning. This is a good time to talk about strengths and challenges and to set goals for courses this semester. If you have any questions about your child's learning, or you have not received the Learning Updates, please contact the office. Please ensure you or your child have a valid email address in our system to receive all school communication.

IMMUNIZATION CONSENT FORM

If your child is in Grade 9 and required to receive an immunization, you would have received a notification this week with clinic and specific immunization information. This notice was sent home via email. Thank you to those who have already completed the consent forms using the online tool. If you have not, please read the email carefully and use the link or QR code provided to give your consent. If you have any concerns or questions, please contact the Public Health Nurse, Kiran Hundal via email at kiran.hundal1@vch.ca
