All grade 10 students will be registered for the GLA 10, and all grade 12 students will be registered for the GLA 12. If any student is missing an assessment, please speak to your counsellor asap.

At-Risk Learning Completion Plans

On Wednesday, some parents and students will receive Learning Completions Plans by email. These plans are created by teachers for students who are at risk of not successfully meeting the learning standards for a course by the end of the semester.

The final weeks of the semester are an important time for students to take responsibility for their learning. Success in a course is still achievable despite receiving At-Risk Learning Completion Plans. These plans are an indication of what must be done in partnership between parent, student, and school to remove the "At Risk" status.

Lost and Found Items

There are many unclaimed sweaters, hoodies, jackets and other lost and found items. Please ask your child(ren) to check the lost and found items that will be placed on the table outside the office.

If these items are not claimed, they will be donated to Richmond Hospital Healthcare Auxiliary Thrift Shop during the Winter break.
