At-Risk Learning Completion Plans

At-Risk Learning Completion Plans will be sent home on May 27th by email. Any student who has provided insufficient evidence of learning in a class will be given an update about learning progress. This will include a clear plan of steps to take in order to successfully complete the class.

Valedictory Tickets – Grade 12 Parents

The second round of ticket sales opened on Friday, May 22 at 10 AM. All remaining tickets are now available for purchase. Please refer to the email that was sent out to the grade 12's and their families for further details and instructions.

Immunization Clinic – June 10

Staff from Vancouver Coastal Health will be onsite to provide immunizations to students who have missed previous immunization days. If you have received an e-consent letter, please complete this and submit it to the school office prior to the immunization clinic date.

Grade 7 Orientation Fun Day

We are looking forward to meeting next year's grade 8 students on the morning of Friday, May 29 from 9:00am – 12:00pm. Our newest hawks will be visiting for the morning, and leadership students will be taking them on school tours, introducing icebreaker activities, and playing fun, interactive games with the students.

Attendance and Lates

As the year winds down, we are noticing many late students and unexcused absences. Please remind students to budget enough time to arrive to school in the mornings, and to be on time to the next class during breaktime. Being present and on time is key to having a strong finish to the year!
