### Last Few Weeks and Learning Completion

The last few weeks of school are an important time for students to work on having a strong finish to the year. In some cases, you have received an “At Risk Learning Completion Plan” that outlines the specific steps needed to successfully complete a course. Families are encouraged to discuss and create a plan to support a strong finish to the year.

Teachers are available for Learning Completion Days in the final week of June (June 22-24). In cases where this time is needed, students should plan ahead with their teachers so that all can be prepared to use this time efficiently.

### Music in the Park

Congratulations to Mr. Burrows and the musicians for hosting the Music in the Park evening last night. The evening highlighted the amazing talent of our students, and it was nice to experience the music with the sun shining!

### Athletic Banquet

Kudos to Ms. Maika and all the Athletic Leadership students for hosting a successful Athletic Banquet. So many students were highlighted, and it was amazing to see the success of students in the pool, on the field, courts and in the gym. Thank you to everyone who helped to sponsor and support a team. Your help is greatly appreciated!!

### Notice of Late Return – 2026/2027 School Year

If a student is not returning on or before September 11, 2026, a school cannot reserve a spot guaranteeing the ability to be enrolled in the school. There may be a need for a placement at another school upon the student’s late return.
