Grade 12 TVR Assembly – Oct 20

During PLT on Tuesday, all grade 12 students must attend an assembly where counsellors will review important graduation-related information. Students will also be asked to review an individualized Transcript Verification Report from the Ministry of Education to ensure that their courses and marks have been received correctly. We will repeat this process again after the start of Semester 2.

Informal Learning Updates – Emailed Oct 15

All students and parents should have now received an Informal Learning Update by email. This update contains detailed information regarding your child's engagement, behaviour, and learning progress to date. Please take a moment to review this update with your child.

Parents/Caregivers are encouraged to have a conversation with your child about their learning and the goals to focus on as next steps that will develop their learning in the year ahead. We thank you for working with us to support your child's growth at school.

Provincial Pro-D Day – Oct 23

On Friday, all teachers across BC will have the opportunity to attend provincial professional development conferences in their subject areas. Hugh Boyd staff will be attending a variety of conferences and workshops full of professional learning.

Attendance Notifications

Our office uses an automated system to provide notification to parents/caregivers when a student is absent from class without being excused by a parent. If a student is marked absent in error, the student must speak with their teacher to correct the attendance entry.
