Student Absences and Lates in MyEd BC

Students arriving late to school and within the first 10 minutes of class should report directly to their classroom.

Students arriving late (after 8:40am) should sign in at the office and will receive a late slip. They must present their late slip to their teacher.

It is the responsibility of the student to communicate with their teacher to ensure their attendance record is adjusted from "absent" to "late".

Absence notification calls/emails are sent to parent(s) in the late morning for first period and again in the evening for the rest of the day. These notifications are based on the attendance information recorded in class.

Please note that office staff are not able to adjust the attendance if a student is incorrectly marked absent. In these cases, the student must speak with their teacher as this must be corrected by the classroom teacher.
